

Fall News

Welcome back to a new dance season What an exciting time of year for the dancers, they are getting acquainted with old friends as well as some new friends. I look forward to another wonderful year, full of changes and new additions to our dance season.

What's New

The buzz around the studio is that we will be performing a Christmas recital. Yes this is true. Miss Shannon has added a second performance for the dancers here at the studio. In years past we have had sign-ups for a holiday performance but have had little luck with the outcome. So this year I will have all the dancers participate in performing "The Nutcracker" with our having extra those rehearsals. Look for the list of the class parts your dancers will perform, in 2 weeks. We will start learning our parts in ballet class in October!

Who will be Clara?
